Session

Rules for the online lab (groups)

- **Participate from a quiet space** and use the mute button to mute the microphone and eliminate background noise.
- **Activate the video whenever possible** and be ready to be seen (in groups always keep the video and microphone on, it facilitates interaction).
- **Be present:** do not carry out multiple activities at the same time (multitasking).
- **Listening:** Organize shifts in the work group to make sure each person has a chance to speak and participate.
- **Introduce yourself** before propose your contributions
- **Raise your hand** or **speak** to get attention if you have something to say.
- **Summary:** Say it in one breath or three sentences.

Have a good time!

Roles in working group

- **FACILITATOR:** leads the process of the participatory working session, makes answers and moderates the dialogue. Gives assignments and controls the timing.
- **THEMATIC EXPERT:** The expert is the person that has expertise in the domain of the discussion and can help to analyse, synthesise, summarise and provide answers to specific questions.
- **PROGRAMMING EXPERT:** helps summarizing the results in the group discussion for the presentation in plenary.
- **PARTICIPANTS:** all participants propose ideas in the internal workbook and help to synthesize.
- **SPOKESPERSON:** summarizes the results of the group work in plenary in 5 minutes.
- **OBSERVER:** observes the overall interactive process

How we will work in groups

Four Groups, one group per flagship.

The overall topic: What elements and aspects of the Flagship could be embedded in the Operational Programs 2021-2027?

We will address the following questions:

- *1: Are you going to include a reference to the flagship into the 2021-2027 Programme?*
- *2: What in your opinion are the more suitable specific objectives for implementing the flagship?*
- *3 : How do you foresee to capitalize past 2014-2020 projects and the experiences from the ADRION programme to embed the flagship in your OP?*

How we will work in groups

Using Google Doc, 3 rounds of 15 minutes for questions and 20 minutes to prepare the pitch

TIMES IN EVERY ROUND FOR THE GROUP BRAINSTORMING

- **5 MINUTES of individual brainstorming on the question, in silence.**
- **10 MINUTES of shared synthesis of the individual brainstormings.** Discuss the results of the individual brainstorming as a group and summarise the shared concepts

PREPARING THE PLENARY PITCH

- **20 MINUTES selection of the spokesperson and rehearsal .** The spokesperson (one of the experts or participants) has 5 min to present the results vs. the plenary.

BACK TO THE PLENARY SESSION

- **Each spokesperson has 5 minutes to present the results**
- **5 min Q/A**
